Classic Battleship + extra features

Differences and Features

Battlerines is different in some aspects from its original version.

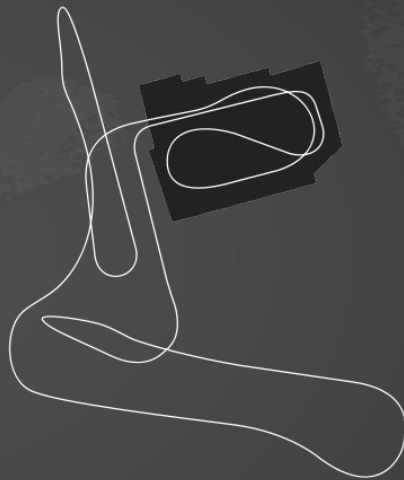

- There are no longer ships
but instead - submarines
- Play with up to 3 friends
- Build Bases and defend them from enemies

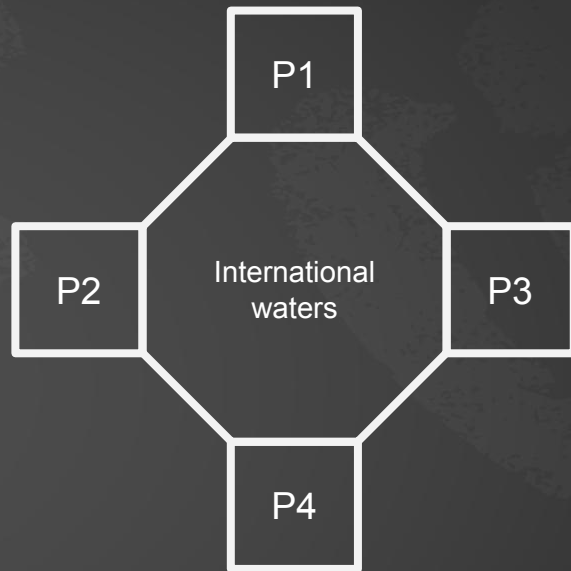

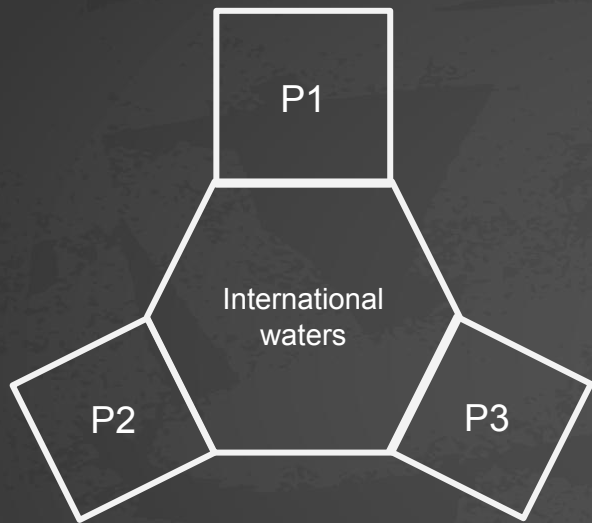

⇒ OZ

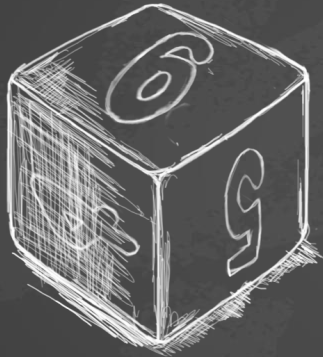

Map layout

Depending on the number of players
bases have different layout

More players - more layouts

Rules &
Mechanics

Rules And General Mechanics

Each Base spawns a
submarine

For each base that you build you
will get 1 additional submarine at
your disposal!

More bases = More Game
Time

As you play, it will take more time
with an each enemy base to
conquer!

⇒ 04

Hints

And some additional
game features

Hints During Battle:

Base Radar

Enemy base radars detect your missile and identify the approximate position of your shoot

Base Boundaries

Each shooting near enemy base will give you insights of its actual position.

Enemy Detection

Whenever your or enemy's submarine is located one unit from each other, both submarines would be visible

Thank You!
